

DHEENA R

B.Tech(Artificial intelligence and data science)

CONTACT

+91 8675138328 I am graduate with a passion for full-stack development. With hands-on experience gained during my internship, I am well-equipped to create

dheenad790@gmail.com functional websites that effectively meet client needs. My career is entirely focused Kallakuruchi, Tamil Nadu. on web development, and I am eager to contribute to the growth of the organization while advancing my own professional goals. I am dedicated and ready to meet the organization's commitments with confidence and determination.

ABOUT ME

PROJECT / INTERN EXPERIENCE

Jan 2025 - Apr 2025 CLRI, Chennai	Project Intern I have developed a fully functional website for CLRI that assists them in registering and maintaining their customers for utilizing their testing facilities. The project is hosted on their internal server and is used for internal purposes. The website was developed using ASP.NET and MySQL.
Jan 2025 - Jun 2025 TIET, SALEM	Conference Project Successfully developed the ICOST2025 college conference website as a solo project, demonstrating strong development and project ownership skills. URL (https://aecicost.in/index.html)
Apr 2025 - Jun 2025 TIET, SALEM	Portfolio Project Full-stack developer with experience in ASP.NET MVC and SQL. Built a personal portfolio to showcase web development skills. Passionate about learning new technologies and building impactful solutions.
